Eagle Grip (The Guardian Series Book 3)

Synopsis

Isaac Hawkâ€™s life wasnâ€™t going as planned. He was living in a crummy apartment with a future career that left him feeling empty inside and a love life that had him feeling even emptier. On a whim, he decides to drop out of the police academy so that he can at least try and fix one aspect of his crumbling future. The only problem with his rash decision? A negative balance in his bank account and no way to pay for rent. Diego Cruz seemed to have things set. He was on his way to Rome so he could bring home an Olympic gold medal in gymnastics. His mind and body were honed in and focused on that one goal. He was going to make all the sacrifices in his life mean something by competing and coming out on top. He was determined to find a reason to move past the deep regret of leaving Isaac the way he had all those years ago. When Isaac reluctantly accepts a job working as security for the American gymnastics team, he knew his path would cross with Diegoâ€™s. What he wasnâ€™t expecting was the flood of emotions that would overpower the both of them after their chance encounter. Things are made more complicated by the obsessive behavior on display from Diegoâ€™s ex-boyfriend. Isaac and Diego will each have to face their past and realize that sometimes you have to hold on to those second chances with an eagle grip.

_____EAGLE GRIP is a hot and steamy, gay romance novel with no cliffhangers. It is the third book in The Guardian series but can be read as a standalone.

Customer Reviews

I received an ARC copy from the author in return for a review. In full disclosure I was also a beta reader for part of this story. So I might have a little bias! I do my best to give honest opinions though. 4.5 stars! If you just can't wait for the Olympics, you can get in the mood with this latest story from Max Walker. Set in the near future, Isaac is the son of Adrien and Tristan (from "Cover Me") and through most of high school, was boyfriends and lovers with Diego. They were torn apart in a way that hurt Isaac very deeply and it's still affecting his life. Now, six years later, they come face-to-face once more, as Isaac is hired as security for the gymnastics team. Diego is competing for his last chance at an Olympic medal and seeing Isaac brings up all the feelings of loss he battled while following his dream of a medal. Isaac is very cold towards Diego but Diego wonders if they can at least rebuild a friendship. The setting is also in Rome and Max Walker takes the time to build the feel of the city and gives us a glimpse into the ancient sights there. What follows is an excellent depiction of second chance love, done in a realistic and logical way. It's not rushed or over-dramatized and they take time to get to know each other as adults. They do also get back to being lovers with some very steamy scenes! They do have conflicts and Diego also has to contend with both an ex and a wanna-be boyfriend. But misunderstandings aren't blown up into silly tropes, and the characters act like real people do! I think I liked that best of all. Max doesn't write caricatures or cliches for his characters. There is some suspense, excitement and danger in the story, adding depth to it without being OTT. I really enjoyed it a great deal.
