Customer Reviews

This hilarious reference is a one-stop relationship shopper's dream: start from the front and it's a

wedding planner; flip the book over and it's a divorce guide. Boasting "around thirteen marriages and eight divorces" "so far" "not to mention more than 300 combined years of valuable experience," Browne and her fellow Queens offer sage advice, dire warnings and sidesplitting anecdotes for women who could use "some sympathy, some understanding, some refreshments and a little f*cking help around here." Between offering tips on how to save money on weddings and avoid manslaughter charges during divorces, Browne also teaches her own language course in Southern-speak, which she dubs "Y'allbonics," and shares recipes encouraging "balloonia" over bulimia. As funny as Browne can be, her powerful underlying message has always been preaching empowerment to women who feel they have no options ("Quit investing your life in a relationship that's bringing you only minimal returns. Don't be skeert of going for more"). **AND NOW A REVIEW OF THE AUDIOBOOK READ BY JILL CONNER BROWNE:** Brown's fifth outing shows no sign of wearing out her welcome as the Southern fried guru of belles past 40 but never past their prime. Browne justifies her one-stop shopping approach to relationships (which combines advice on planning nuptials as well as tearing them asunder) by quipping, "Statistically, 100% of all divorces do start with weddings." Browne's audiobooks are laugh-out-loud, steer-your-car-off-the-road listening experiences. But the reason there are nearly 4,800 worldwide chapters of Sweet Potato Queens is because she uses her wild and irreverent humor to empower and embolden her readers.
