Salvation (The Protectors, Book 2)

Synopsis

I lifted my gaze to tell Seth no but then I saw it. The thing I'd feared I'd lost. It wasn't hero worship or the wayward emotions of an innocent child. And it wasn't some distorted reflection of a man who no longer existed. All I saw was me...the way he saw me.

--Ronan

Trauma surgeon Ronan Grisham lost everything the day the man he loved was stolen from him in a brutal attack. Driven by a thirst for vengeance, he turns his hatred into building an underground group that can do what he couldn't that fateful day...take the lives of the guilty to save the lives of the innocent. But years later, he's forced to confront the one link to his past that he can't sever. Seven years after the loss of his parents in a violent home invasion that left him permanently scarred both inside and out, 21-year-old Seth Nichols is trying to put his life back together so he can take over the reins of his father's global shipping empire. But the last person he expects to come back into his life is the man he drove away with one innocent, stolen kiss. With one brush of his lips, Seth managed to do to Ronan what no other had since the day Ronan watched the light in his fiancé's eyes go out forever. He made him need again. But Ronan can't need anyone, least of all his dead fiancé's younger brother. Because even one touch from Seth could shatter Ronan's carefully constructed world and Ronan knows there's no coming back from that a second time. But when a series of escalating attacks against Seth forces Ronan back into his life, Seth knows it's his last chance to show Ronan he can be the man the broken surgeon needs. Only the Ronan who returns isn't the Ronan Seth fell in love with so long ago...Can Seth be Ronan's salvation or will he end up destroying them both?

****Full length novel (80k words)**

Customer Reviews

After reading Absolution, I was beyond desperate for Ronan's story. I knew it was going to be heartbreaking and heartbreaking it was. However, there is someone who loves Ronan, truly loves him. Someone who also has an unbelievably devastating past. I wouldn't wish the circumstances of Seth's loss on anyone. Ronan and Seth's journey will tear your heart open. This book is beyond emotional. There will be many times during their story you'll wonder if they will be together in the end. But Seth's strength and deep down-to-the-bone love for Ronan won't let him give up. Seth was an amazing character. I fell in love with him immediately. And was thankful Ronan has someone like him in his life. Keeping a promise he made to always watch out for Seth, an apparent mugging brings Ronan back into Seth's life after 3 years away. Strange things start happening involving Seth and Ronan is convinced it's not coincidence. He won't leave again until he knows Seth is safe. Seth needs to convince Ronan he's strong enough to be what he needs and to help him heal. Ronan needs to keep Seth safe while guarding his own heart. He is afraid of what Seth will think of him when he learns the truth of his brother's death and of what Ronan has become since then. He doesn't believe they can have a relationship together, although he wants just that. Ronan feels he is broken. He is not the same person Seth worshipped all those years ago. You feel the love these two have for each other in every thing they do. They have electric chemistry. Seth just needs to break down Ronan's walls. And Ronan needs to trust that Seth can be his salvation. The emotions and the back and forth from these two will have you weeping. But in the end, you'll agree the journey was worth it!
