# Vocabulary Workshop, Enriched Edition Student Edition Level D, Grade 9

## Synopsis

Vocabulary Workshop: Common Core Enriched Edition: Student Edition: Level D (Grade 9) Students understand words more fully as they see, hear, and use them in a variety of contexts. The print Student Edition is blended with powerful online components, including the iWords Audio Program and Interactive Quizzes, which are accessed by QR (Quick Response) Codes on student pages. Multiple exposures of words-definitions, sentence completion, synonyms and antonyms, and more-improve vocabulary acquisition. High-quality, text-dependent questions promote understanding of words with excerpts from classic literature while also supporting the Common Core. Two writing prompts challenge students to write in response to sources and practice use of academic vocabulary in their writing.

## Book Information

Paperback: 183 pages

Publisher: SADLER (2012)

ISBN-10: 0821580094

ISBN-13: 978-0821580097

ASIN: B00BXRRLYW

Product Dimensions: 8.4 x 5.8 x 0.7 inches

Shipping Weight: 12.6 ounces

Average Customer Review: 4.4 out of 5 stars Â See all reviews Â (30 customer reviews)

## Customer Reviews

I was required to use Great Source's Vocabulary for Achievement (vocab and SAT prep) with my previous district for many years. So I'm using that as a point of comparison here. Now that I'm free to explore different vocabulary options, I've been browsing this series and other options. I was very satisfied with the most recent edition of Vocabulary for Achievement, but that series and their website and books seem to be going through a whole lot of changes due to Common Core and aren't as easily available right now. I just received the 2012 9th grade Level D/Common Core Enriched Edition of Vocabulary Workshop and this review is based on only my own book browse. I have not used any previous editions of this book. Nor have I used it with students. I'm not yet sure

that I will at the moment. But I wish someone had emphasized a few things about the size and described the layout of this book before I bought it as I wasn't too careful in looking at all the facts as it only had one review when I ordered it. So I'd like to share that and perhaps update later. My first disappointment is that the size of this workbook is not the typical workbook size. It's much smaller and more like the size of a large novel. I just measured about 9x6, though the product dimensions on this page say it's even smaller. That is an important issue for me because there isn't much "white space" on the inside. Words look somewhat crammed together and are small in font and I believe this really affects student perception of the material. Perhaps not for the more advanced, truly college bound student.
